

Friday Bulletin

17th April 2020

Class 4
'Lockdown'
Work

Dear Parents

Please remember that, if you are experiencing financial hardship at the moment, or if you anticipate that you will in the next month or so, we will do our best to support you through this situation. However, in order for us to do that, you need to **let Birgit know at:** bursar@stmichaelsteiner.hounslow.sch.uk **by Wednesday 22nd April.**

Thank you to those of you who have already been in touch to ask for help, or to offer it; it enables us to budget to ensure that the school will be able to re-open when the lockdown is over.

With best wishes

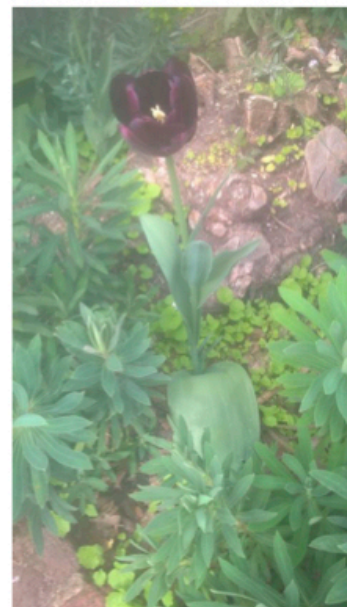

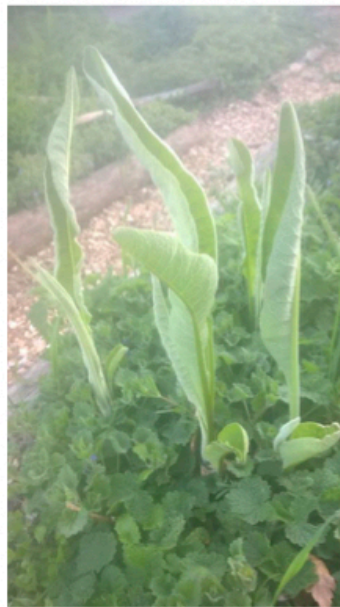

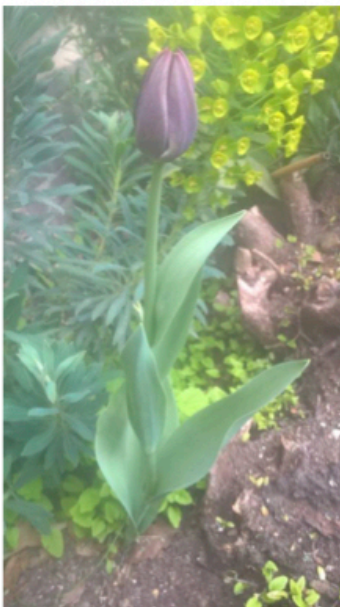

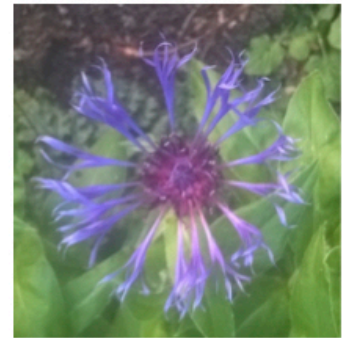

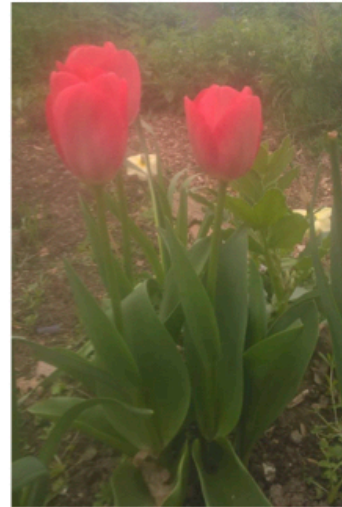

The College

Photos taken at school on Easter Sunday

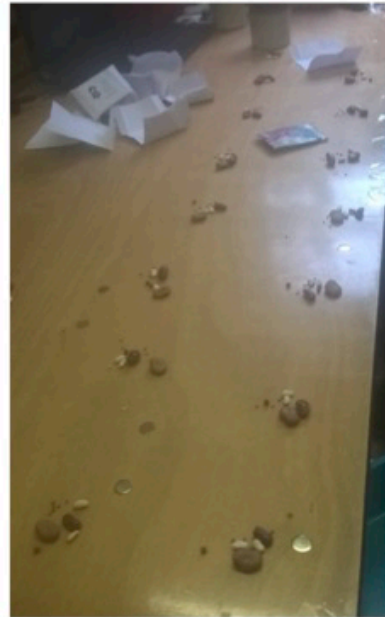

Spring has sprung

This time of year always seems, with Spring springing, when our school looks its best...the bulbs are up and flowering, the grass is rich green and the blossom on the fruit trees is out... here are some photos from the school gardens to share with you...

The garden and greenhouse are normally full of activity with seeds being sown and seedlings being planted out in the growing spaces that have been developed and loved over the past 3 years...this year is no exception...and I hear that seed companies are selling out fast around the country....as these activities are happening more in our homes as we tend our gardens/balconies/window sills.

Those children who were still physically at school in the last few days of the last week before lockdown were each sent home with a little packet of seeds, some of which have hopefully grown...please share your photos with us...here are some of Patrick's from class 9 on his windowsill.

Certainly at school the greenhouse and gardens are still being watered, potatoes being set and hedgerow whips being planted out! My dad was a potato farmer and he always said a potato is best set between St Patricks Day and Good Friday! So miraculously.....
