

# The St Michael Steiner School

## No Smoking Policy

It is against the law to smoke anywhere on school premises.

Use of e-cigarettes (vaping) is also not allowed on school premises.

Staff and High School students who smoke or vape must not do so anywhere near the school boundary and must ensure that smoke/vapour does not drift into the school grounds, and that they are not seen by children or parents.

A handwritten signature in black ink, appearing to read "Brian Hupkin", with a horizontal line underneath it.

Approved by Chair of trustees on behalf of trustees
